January 2019

When the song of the angels is stilled,
When the star in the sky is gone,
When the kings and princes are home,
When the shepherds are back with their flock,

The work of Christmas begins:

- To find the lost,
- To heal the broken,
- To feed the hungry,
- To release the prisoner,
- To rebuild the nations,
- To bring peace among others,
- To make music in the heart.

Dear Brothers and Sisters in Christ,

By the time you receive this newsletter, Christmas Day will have passed, but Christmas has not. The power of Christmas is something that should always be with us. To know that God is willing to enter in the world in human flesh, is to realize that all human life is important to God. In fact the entirety of our life is something that God shares in constantly.

Because of this revelation, every moment of human life is made holy. Every person and all their concerns are - for God and for us as God's people - of ultimate importance. In our own way we are reborn to a new world in the love of God. Maybe the close proximity of Christmas and the New Year is a message of which we should be more aware. Christ is born so that we might start new.

As we enter this New Year may we recommit ourselves to living in the light of Christ's birth. May we realize that the love of God always comes in flesh, first in that Holy birth, but now in us as God works through us to touch the world in love and hope. Meister Eckert a medieval Christian thinker shared a thought in his writing that has always had great power:

What good is it to me that Mary gave birth to the son of God fourteen hundred years ago, and I do not also give birth to the Son of God in my time and in my culture? We are all meant to be mothers of God. God is always needing to be born.

May the love of God that comes at Christmas continue to be born in us as we move into this New Year.

Yours in the Love of Christ,
Pastors Cris and Dave

The Members of the Trinity staff want to thank all of you for the ways you have touched us with God's love- cards, gifts, and most of all words of love and support. May God bless us all in the coming year.

ANNUAL MEETING—CHILI COOKOFF—STEWARDSHIP

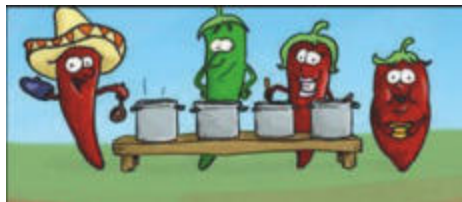

**ANNUAL MEETING/
CHILI COOK OFF**

Trinity will be spicing up our annual meeting by inviting everyone to the annual chili cook off after the meeting on

January 27th, 2019. There will be a chance to visit with other members and of course sample some of the finest chili in the county. There are already a couple of folks bragging about how good their chili is and looking for someone to challenge them. You can show them up and take home the blue ribbon. If you are interested in entering the cook off a sign up sheet will be out in the Heritage Room or just contact the church office. Come and be a part of the annual meeting and then give your taste buds a treat at the chili supper and cook-off.

Who will be the champ?

Stewardship

Coming into 2019 we have had 92 people make a written financial commitment to Trinity. **We give thanks for their generosity and the generosity of all those who support the congregation through their financial gifts.** Yet the projections of giving leave us as a congregation with a challenging year to come. We encourage everyone to join us at the annual meeting on January 27th as we consider the ways we will use our resources to the glory of God in the coming year. The thoughts and prayers of everyone will be important in this pivotal year.

OUTREACH & TRINITY ACTIVITIES

“SOUPER BOWL” WEEKEND

Totals Nationwide for 2018:
\$ 8,128,340.00 in cash and food items for local charities
From over 3,772 Organizations

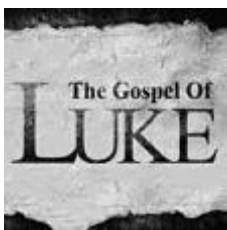

After each worship service during Super Bowl weekend – Saturday and Sunday, **February, 2nd and 3rd** - Trinity's senior high youth invite you to take part in the annual “Souper Bowl of Caring”. This year the proceeds will again be divided between our local food pantry and the ELCA World Hunger Appeal. During “Souper Bowl” weekend, several soup kettles will be placed on a display in the Heritage room. Each kettle will represent one of this year's Super Bowl teams. You can vote for your favorite team with your donation – the one with the most donations wins. Or you can work the odds and give according to past “prognostication” – the team who wins the “Souper Bowl” predictably loses the “Super Bowl”.

Either way, by taking part in this year's “Souper Bowl” you'll be assuring a winning experience for the hungry. On a day when people spend so much time and money on game snacks and parties, this is a good way to keep focused on what's really important.

Some Green Thoughts as We Enter a New Year

Climate change has been the subject of a huge discussion in recent years. Some can see so clearly that this is a reality and are afraid for the future. Others are more skeptical. But there can be little doubt that what we do effects the life of this planet. Because of our needs, vast sections of the earth have been changed irrevocably. We all need to struggle with the question; is there a more gentle way to live that cares for the earth while still meeting our needs as humans? What can you do to walk gently upon this earth? As we enter this New Year may we all take this question seriously. May we all find ways to recycle, reuse, and renew to protect the earth for future generations. We may not all agree on all the questions and answers, but we each in our own way should realize that we have been the given the world as a trust from God. We need to take our role as caretakers of this planet seriously. If you would like to talk more about the care of the earth, please let Pastor Dave know and he will help provide opportunities.

Bible Study

2019 in the Church's liturgical calendar is the year of Luke. Starting on **January 8** we will take a look at the book of Luke on each Tuesday in January. Luke is a gospel that challenges us not only to hear the Good News of Jesus, but it also challenges us to think about how that “gospel” changes our lives. Further it challenges us to decide whether we really want to be changed. The Bible Study groups will meet at **1:00 and 7:00 PM** and all are welcome to join us for the discussion.

JanU-WEARy-FebrU-WEARy “BRIEF APPEAL”

It's time to have a talk about “unmentionables.” Nurses in the West Bend School District report a great need for underwear from elementary through high school, simply because there are many children who do not have any. Families facing financial difficulties have to make tough choices every day. Shelter, food, clothing – how do they decide? Clothing can be purchased from thrift stores, but underwear is a rare commodity at such sources. Underwear is unseen, and it can become a low priority in a stretched family budget, yet lacking this basic necessity can be emotionally devastating to a child at any age.

In an effort to meet this need, Trinity is launching a “Brief Appeal” in January and February, to collect new underwear for children in all sizes, male and female, that will be distributed to all schools in the West Bend School District based on the size needs at each school. Watch for more information and donation drop-off bins in the new year.

Book Study

Our book study for January is “**The 100 Year Old Man Who Climbed Out the Window and Disappeared.**”

Here is a brief taste of what you will experience:

A reluctant centenarian much like Forrest Gump (if Gump were an explosives expert with a fondness for vodka) decides it's not too late to start over . . . After a long and eventful life, Allan Karlsson ends up in a nursing home, believing it to be his last stop. The only problem is that he's still in good health, and in one day, he turns 100. A big celebration is in the works, but Allan really isn't interested (and he'd like a bit more control over his vodka consumption). So he decides to escape. He climbs out the window in his slippers and embarks on a hilarious and entirely unexpected journey, involving, among other surprises, a suitcase stuffed with cash, some unpleasant criminals, a friendly hot-dog stand operator, and an elephant (not to mention a death by elephant).

We will discuss this book on **Monday January 28th at 1:00**. The evening study group has not been meeting, but if some people are interested in talking about this book or another on a week day evening, please let Pastor Dave know.

Cantata Thank-you

Thank you to everyone who made Trinity's Advent cantata such a wonderful experience for our congregation; your music touched our hearts with the true spirit of the season!

Thank you to Hazel Griffin. Once again she went above and beyond the outstanding musical coordination and leadership she provides every week at Trinity. She found beautiful, diverse and meaningful Advent/Christmas songs and arranged them into a beautiful, unified Advent telling of the story.

Thank you to all of our singers – Trinity members and guests...for making time in their busy lives to be a part of the fabulous choir. Thanks to all of the wonderful instrumentalists (many who had to travel to be with us) for sharing their amazing talents to deepen, enrich and enhance the choral sound. What a difference that additional instrumental texture makes!

Special thanks to Darci Ketter, for sharing her gifts for music and direction and bringing out the best joyful musician in everyone! To Pastor Dave for putting together a beautiful and insightful narration and to our readers Darrell Blair and Madison Giernyn for giving those words life. Trinity has been blessed by the contributions each of you made, and we are so very grateful!!

Christmas Program Thank You

Thank you to everyone who contributed their time and talents to put together two wonderful Children's Christmas Programs.

A Special Thank you to Jan Wagner and Peter Nelson,

two of Trinity's talented photographers, for their work in 2018 making sure Trinity's special events and ministries were recorded in pictures and up to date.

MITTEN TREE & GIVING TREE SPECIAL THANKS

The "elves" who sort and deliver your generous gifts for the Giving Tree would like to commend ya'll on the great job you did this year with the beautifully wrapped gifts! There were many happy faces this past Christmas thanks to you!

OUR CHILDREN NEED YOU!!

Whenever a child is baptized at Trinity, each of us stands up and promises to...

"Support the child, offer your love, your resources and your faith so that he/she may grow and learn in the community of the church."

The most tangible way we – as the people of Trinity - keep this promise is by providing the best possible Children's ministry opportunities.

Our Children's Ministry Coordinator, Cheryl Scaffidi, works with the pastoral staff to plan and oversee our entire Children's Ministry and assure that we are doing the best we can to help our children develop their faith.

Providing the BEST children's ministry experiences however, depends on the ENTIRE congregation.

We depend on a volunteer staff of devoted, gifted and committed Teachers, Workshop Leaders, Shepherds, Music Leaders, Helpers and administrative assistants. Further, we need parents who faithfully bring their children to Sunday Children's ministry and support and build on their children's growing faith.

We are blessed with an already large and still growing group of children. **WE owe it to them to help them learn and become the people God created and calls them to be.** In order to do this, WE NEED YOU!!!

If you feel called to help our children grow in faith, please talk to Cheryl Scaffidi or Pastor Cristy. We can find a way for you to help in ways that nurture your own faith, and fit into your schedule and your own spiritual gifts and interests.

We all need to help if Trinity is going to KEEP THE PROMISE we make all our children at their baptism.

Thank you to all those who have volunteered as Children's Ministry Leaders.

There are several opportunities to share your faith with Trinity's children in the new year. Please sign up at <https://www.signupgenius.com/go/60b0e4ba5a72da2fa7-childrens>

January Session one: Come and see—Seeking and finding faith

LEFSE LOVE

What's all the fuss about lefse? Ask most lefse lovers to describe lefse, and they will first lick their lips and then speak wistfully of memories of family traditions with this Norwegian specialty made from potatoes and baked on a very hot dry griddle.

If you've never tried lefse or if the art of lefse making intrigues you, we invite you to join a team of Trinity's veteran lefse bakers on **Saturday January 19th at 2 p.m.** who will demonstrate and instruct in the techniques! Come to watch or to try your hand at rolling and baking! Tasting and debating the merits of butter only, butter and sugar, or meat fillings will begin at 4 p.m.!

TO ALL USHERS!!

I am interested in training ALL ushers in CPR and the use of the defibrillator. This life saving knowledge can be used in church, home and the general public. Being a 34 year veteran in the Fire Department in Wauwatosa, I know only too well how important this can be when needed. If interested please contact me, Tom Bulin at (414) 801-0774 for more information.

As of January 1st, 2019 Starlight Learning Center will be under new ownership. Cassie Langenecker is giving up the reins in order to spend more time with family. She will be around to make sure the transition goes smoothly, which it should as there are virtually no staff or procedure changes! We have enjoyed having the little ones here and wish Cassie, her staff and the "Y newcomers" the best in the coming new year!

CHANGING VOICES AT 5:00 SERVICE

The fall brought several changes to our cantors. AJ Brandt and Jane Kosednar decided to retire from serving as cantors, and we thank them for their years of sharing their vocal talents with us. The new year will see Marshall Mauney returning after a fall hiatus, joining Darci Ketter and Michal Gerard. Rick Gilbertson, our Created to Praise vocal leader, and Lori Hassig, a Slinger Elementary School music teacher, will also join the rotation.

GREATER MILWAUKEE SYNOD ASSEMBLY

At our annual meeting in January, we will be asking for delegates to represent Trinity at the 2019 Greater Milwaukee Synod Assembly May 31-June 30 at the Italian Community Center in Milwaukee.

To make assembly attendance easier for people who work during the week, the meeting will now begin on Friday evening and run through Saturday afternoon. Each congregation may send one additional delegate under the age of 30. The assembly is a wonderful opportunity to learn about the work of the church and to connect with and be inspired by other congregations in the synod. Please prayerfully consider volunteering to represent Trinity at this year's gathering!
