## Trinity Family, Lent.

We looked up the meaning of the word and found a surprise. It is not from some religious term, it is not some deep theological concept. The word Lent:

*The word is traced etymologically to an Old English word lencten (related to "lengthen," referring to the lengthening of days) that simply referred to the season of spring. It is also related to a Teutonic word with the same meaning.*

*The penitential season in the Church always fell during the springtime in Europe and over the centuries the word "Lent" became synonymous with the liturgical period. Additionally, for the Anglo-Saxon people it was an easier word than the official Latin title. In Latin it is called Quadragesima, which means the "40 days" (or more literally the "40th day" before Easter). This term identifies the season with the 40-day period of preparation before the celebration of Jesus's Passion, death and resurrection.*

But maybe there is more spiritual reality in this term than we might imagine at first glance. As spring is a time for renewal, so Lent is a time for renewal as well. We renew our commitment to walk with our Lord, we renew our commitment to the life that Jesus calls us to, and in so doing we find true life.

Each person's Lenten journey is unique, because each of us has drawn away from God in our own unique way. Some have been caught up in the desire to acquire and need to practice ways to let go of some of the things that draw away from God. And so we give up things for Lent. Some have lost sight of their connection to others in the love of God and so we give to others renewing our commitment to the needs of the world. Some have lost hope or let the pain of their life drown out God's voice and so prayer becomes a way to listen for the voice of God again and share the pain and hopelessness of life. Some have begun to take for granted God's love and abundance and so worship is a time to embrace the reality anew.

Only you can look within and find the places that need renewal. And we invite you to join us in beginning Lent by taking some time just to listen to your heart. Listen to what has drawn you away from true life in Christ and then enter this Lenten season with the assurance of our Lord in the book of Revelation:

*Be earnest, therefore, and repent. Listen! I am standing at the door, knocking; if you hear my voice and open the door, I will come in to you and eat with you, and you with me. To the one who conquers I will give a place with me on my throne, just as I myself conquered and sat down with my Father on his throne. Let anyone who has an ear listen to what the Spirit is saying to the churches.'*

This Lent may you find new life, a lengthening of days and the joy of fellowship with our Lord and his people.

Pastors Cris and Dave

### Having Trouble Getting to Worship on the Weekend??

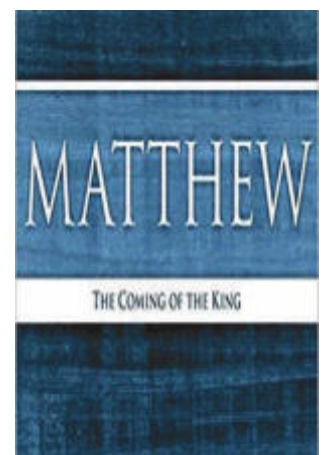

Please join us on **Thursdays during Lent (March 5 – April 2) from 6:30 to 7pm for Prayer Around the Cross.** This is an alternative worship experience focused on Prayer and Contemplation. It takes place in the peaceful and darkened church, it is a midweek opportunity to refocus, recenter and refresh your life and your relationship with God.

A great book for Lent is Henri Nouwen's Out of Solitude: Three Meditations on Christian Life. It is a remarkable study in taking time alone, but not really alone because we draw closer to God and God's heart. And in drawing close to God we draw closer to ourselves and the world. If anyone is interested in taking time to discuss the book Pastor Dave would be happy to set up a time for a group to get together. Just let him know. If you would like a copy, Pastor Dave can lend you his.

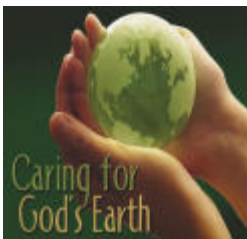

### Bible Study

For Lent we will walk with Jesus through the gospel of Matthew. Matthew's unique gospel account focuses on hearing and doing the teachings of our Lord and the call for us all to lay our lives before Christ. All are invited to grow more deeply as we study the gospel together. Our

WE Energies update! You may have noticed the lighting is different in the church. Now that most of the lights have been replaced with LED bulbs, we are happy to report a significant difference in the electric bill! The March 4, 2019 bill was \$1733 compared to the March 3 bill for 2020 at \$1245. It would be great to give all the credit to the LEDs, but the average temperature difference of 14 degrees warmer February this year than last is also a contributing factor! The average temps for the 2 Januarys was only 3 degrees different and the cost was \$1604 in 2019 and \$1474 in 2020.

Anybody have ideas for lowering the heat bill? Maybe LED sunlamps?

### **FYI on Funding for the Senior High Summer Youth Trips**

We have had some inquiries as to whether or not the high per person cost of the Senior High summer trips are justified in light of some of Trinity's struggles to meet the budget. We feel that is vital that everyone know that **THE CHURCH BUDGET DOES NOT PAY ANYTHING TOWARDS THE SENIOR HIGH SUMMER TRIP!!**

All the money for the trips comes from the following sources:

Money paid toward the trip by the families of the travelers.

Money from fund raising

Generous donations made to subsidize and offer financial aid **specifically to be sure this ministry continues.**

No money for the summer trip uses church funds that would be available for anything else!!
