

Trinity's COVID-19 Adventures of FLAT JESUS

Attention Trinity Lutheran Church Community,

Consider this an invitation as well as a challenge to show each other and remind ourselves that **Jesus is always with us**—yes, even now as we practice social distancing during this unprecedented time.

What better time than now to include **FLAT JESUS** in our daily lives as a reminder of Jesus' real presence in everyday places and in all circumstances.

1. Print out, color and/or decorate your **FLAT JESUS** as you wish. Cut him out and attach him to a flat stick.

If possible, use a heavier stock paper to print him out, or mount him to another piece of paper before you cut him out. If you have capabilities, you can laminate him.

2. Keep **FLAT JESUS** with you and take lots of pictures of the activities he shares with you in your home on a daily basis.

3. Talk with family and friends about what you and **FLAT JESUS** are experiencing.

4. Share your photos of your adventures with **FLAT JESUS!**

Email them to trinity@trinitywestbend.com with a brief description.

NOTE: Submitted photos act as a consent for Trinity to use and share on our facebook page, website (other social media) and worship.
