FEBRUARY 2021

Dear Trinity Community,

We are entering the season of Lent. According to one internet article:

Lent is the period of 40 days which comes before Easter in the Christian calendar. Beginning on Ash Wednesday, Lent is a season of reflection and preparation before the celebrations of Easter. By observing the 40 days of Lent, Christians replicate Jesus Christ's sacrifice and withdrawal into the desert for 40 days. Lent is marked by fasting, both from food and festivities.

Lent has come to have many meanings. For some it is a time of baptismal renewal. For others it is a time of recommitment to their Christian identity.

This year I am entering Lent with a different sense of the season. I realize that I take much of my life for granted. I have taken my health and life for granted. But recently I have been shaken out of my assumptions of unending health by my own changing physical status, the disciplines that I have to follow every day for my diabetes and now Cris' cancer diagnosis. Life is not something to assume but an incredible gift each and every day.

Every day my family treats me with incredible love and care and I am aware of it always. But how often do any of us say thank you, acknowledge the amazing gifts of love we receive, and really embrace those gifts to the full? How can we ever be too aware of this wondrous part of life?

How often do we really pay attention to the blessing of our nation? The events at the heart of the nation opened our eyes to the fragility of our life together as Americans. Our freedoms are not something to take for granted.

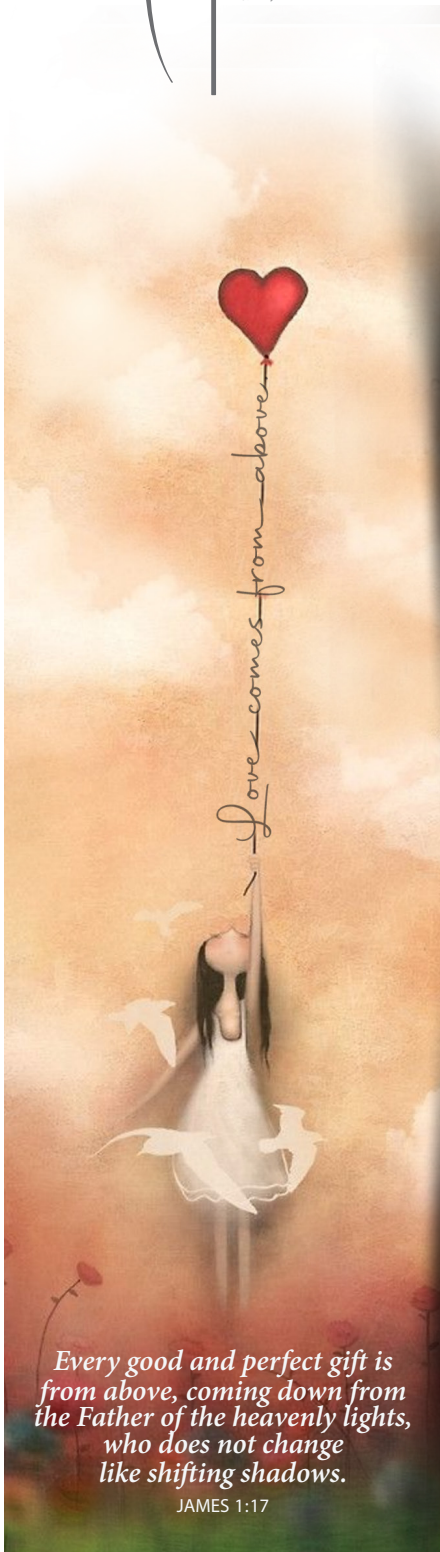

We are fortunate as Christians that every year we have built into our life together the season of Lent. Lent calls us out of our tendencies to take our life in Christ for granted. We once more open our eyes to how much God's love cost God. We are called by this time of year to clear the veil from our eyes that keeps us from seeing all the places in the world where that love needs to be active in and through us. We are given the gift of truly claiming and embracing our life in Christ. Prayer and study, fasting, acts of love and charity, all of these put before us the most important aspect of life, our life in Christ.

Lent is an opportunity to wake up and pay attention. I invite you to join me, Pastor Cris and your siblings in Christ in this holy time of truly seeing what God does for us each and every day.

May God grant us eyes to truly see how we are blessed.

Pastor Dave

Trinity Children's Ministry Coordinator position FILLED—and the blessings continue to flow!

We are thankful to announce that Trinity's blessings continue with the application and hiring of **Alyssa Brockman** to fill the Children's Ministry Coordinator position.

You may recognize Alyssa—she grew up at Trinity and has been active in the Children's Ministry and Confirmation programs! Alyssa and her husband, Rob, have two children, one of whom will be starting children's ministry this coming year. Along with taking care of her son and daughter, Alyssa works part time as a substitute teacher in the West Bend School District.

The Brockman Family

As an active member of our church, with a passion for working with children, I was excited to hear that our church is seeking a Children's Ministry Coordinator. Working with children is a joy to me and supporting the faith journey of our youth is important. I am excited about this opportunity and look forward to working with our Trinity families.

Alyssa Brockman

Please join us in welcoming Alyssa to the Trinity staff!

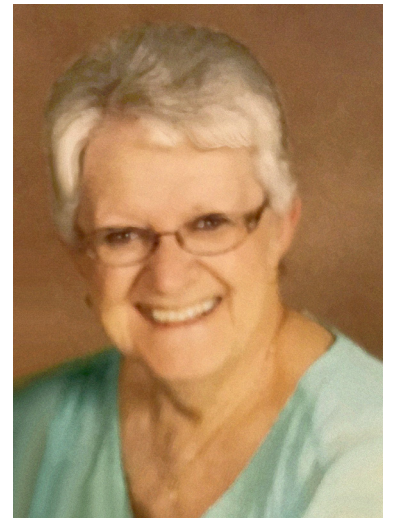

SHARING GOD'S LOVE WITH CHILDREN ROCKS!

Trinity's mission to Share God's love and promise is often demonstrated through the generosity of members who share from their own blessings, giving of themselves out of care and compassion. Time after time, the people of Trinity come through to make a difference for others—and there is nothing that quite compares to sharing God's LOVE and PROMISE with our children.

DECADES OF DEDICATION!

Trinity has been blessed for several decades by way of **Myra Gunnare's** dedication to Trinity's children. Over the years, Myra oversaw the Cradle Roll, kept track of all the babies that were baptised at Trinity, and has taken attendance and collected the offerings for the Children's Ministry program on Sunday mornings *since 1984!* While these tasks were done without fanfare, they have been an important and appreciated part of Trinity's ministry to children and their families.

Myra says she has very much enjoyed being with the kids, taking attendance and keeping records—adding that, because she worked with the kids, she met a lot of people (families) in the congregation that she otherwise may never have gotten to know.

Although she is going to miss it, once the Children's Ministry program starts up again, Myra would like to pass on the joy of taking attendance to another member of Trinity.

WELL DONE, MYRA, WELL DONE!

Please join us in giving thanks to Myra for her unwavering dedication, faithfulness and service to the Trinity family—*especially our children!*

God bless you Myra!

"Everything you do matters—to all of us forever." ANDY ANDREWS

FROM

Friends in Christ:

As we pass the one-year anniversary of the first case of COVID-19 in the United States, it's safe to say that most, if not all, of us are weary from the many changes and restrictions the pandemic has brought about. Our congregations, communities, and leaders have worked diligently and tirelessly to find new ways to worship, learn, connect, and serve. We have sought to stay true to our mission while following the guidance of our public health professionals. We have tried to find the right balance between the desire to gather with the need to do so safely. Through it all, we have been guided by our call to love our neighbor as ourselves. I am deeply grateful for all your efforts to continue faithful ministry in these unprecedented times.

You may recall that, on November 11, 2020, I encouraged the congregations of the Greater Milwaukee Synod to discontinue indoor gatherings for worship or other activities until at least January 2021. In recent weeks, we have seen the number of cases, hospitalizations, and deaths in Southeast Wisconsin plateau and decline a bit. We have also witnessed the release of two COVID-19 vaccines, which give us hope that the pandemic may someday come to an end.

In light of these developments, I know that many congregations are reviewing their plans for whether, when, and how to return to their buildings for worship and other activities. While I am also encouraged by recent trends and developments, I want to encourage congregations to continue refraining from holding in-person, indoor gatherings. I offer this recommendation based on the guidance provided by our partners in the Wisconsin Council of Churches. They have recently released an updated set of recommendations, *RETURNING TO CHURCH 2.0*. These recommendations are based on an extensive review of the scientific data and public health wisdom.

Here's a brief summary of their recommendations:

- Pay attention to these three indicators: vaccinations, new cases per 100,000 of population, and percentage of positive test results.
- There are three phases to consider: Unsafe to return, Safer, and Safest. Based on the most recent indicators, we are still in the "unsafe to return" phase in all counties of Wisconsin.
- When at least 50% of the population is vaccinated, new infections are less than 10 per 100,000 people, and the test positivity rate is less than 10%, we can begin to explore returning to in-person, indoor gatherings.
- Even though vaccine distribution is uneven across the state, encourage people to get vaccinated whenever it becomes available to them.
- The use of masks, distancing, hygiene and other safety protocols will need to continue for the foreseeable future.

The WCC documents include references to reliable sources of updated information that will allow you to track these numbers in your area. Based on current trends, it is likely that we are still several months away from being able to consider safely returning to indoor gatherings.

I recognize that the prospect of yet another Lent and Easter season without worshipping and gathering in person may be discouraging. I encourage congregations, leaders, and rostered ministers to consider the following:

- Regardless of what you decide, pay attention to how you decide. Work to create an environment in which people are able to speak, be heard, and understand which factors led to the decisions made.
- Recognize that this has been and will continue to be a stressful time for all of us, and the levels of weariness among your leaders is high. Be gentle with one another, and make sure that your pastors, deacons, and other staff have the support they need and that they are able to take time away. Consider allowing staff to roll over unused vacation time from last year to this year, or even granting additional vacation time this year.
- Trust that the Church is resilient, and God's Holy and life-giving Spirit has been with us every step of the way and will continue to guide, nourish, and embrace us whatever 2021 brings.

I continue to be grateful, proud, and hopeful for our congregations and our communities as we confront and respond to the many challenges of this pandemic. We're in this together, and I look forward to the time when we will be able to come together, in person, to discover what the next chapter of God's story will look like for us.

In faith and hope,
Bishop Paul D. Erickson

A book for Lent

Lent in many ways calls us to a new way of seeing. A book that can help challenge us to see in new ways is **The World is About to Turn | Mending a Nation's Broken Faith** by **Rick Rouse and Paul O. Ingram**. The book is a call for us to allow our faith to call us into a new unity across that which would divide. It is about finding a place of mutual understanding and respect and the world desperately needs this.

If anyone would be interested in discussion this book, please let Pastor Dave know and we will set up a time through Zoom.

THE SEASON OF LENT BEGINS

The Lenten season begins on **Ash Wednesday, February 17th** and continues through the celebration of Holy Week: Maundy Thursday, Good Friday and Easter Morning on April 4th, 2021.

Ash Wednesday is the first day of Lent. Its official name is "Day of Ashes," so called because of the practice of rubbing ashes on one's forehead in the shape of a cross. Ashes are a public sign of our intent to die to our worldly desires and live in Christ. As our foreheads are marked with ashes, these words are said: *"Remember, that you are dust, and to dust you shall return."*

You are invited to come into church on **Ash Wednesday for the imposition of ashes** (only). THIS IS NOT A WORSHIP SERVICE. Masks are required and social distancing will be practiced. SEE DETAILS ON THIS PAGE.

EVER WONDER WHERE THE ASHES COME FROM?

The ashes come from blessed **PALMS** that were used in Palm Sunday worship celebrations of the previous year.

HOW TO FAST THIS LENT

- Fast from hurting words—*speak kindly.*
- Fast from sadness—*be filled with gratitude.*
- Fast from anger—*practice patience.*
- Fast from pessimism—*be filled with hope.*
- Fast from worries—*put your trust in God.*
- Fast from complaints—*contemplate simplicity.*
- Fast from pressures—*be prayerful.*
- Fast from bitterness—*fill your heart with joy.*
- Fast from selfishness—*be compassionate to others.*
- Fast from grudges—*be reconciled.*
- Fast from words—*be silent, so you can listen.*

All are welcome to join us in person in the Heritage room at Trinity, masked and socially distanced -or- IN REAL TIME through the **ZOOM** <https://us02web.zoom.us/j/83634007037> Password: 3342125 Recordings also available to view | trinitywestbend.com

In February we will study the book of Romans. Romans is Paul's clearest expression of the significance and the power of the cross. For Luther it was the book that in many ways made him truly see the power of God's grace that comes in the cross of Christ. Romans in many ways is the perfect book to study in the season of Lent. *Come and hear anew the promise of the cross of Christ.*

ASH WEDNESDAY | IMPOSITION OF ASHES

Wednesday | February 17

NOON - 1 PM and 6 PM - 7 PM

MASKS REQUIRED

You are invited to come into church to receive the imposition of ashes on Ash Wednesday, February 17th from NOON to 1 PM and 6 PM to 7 PM.

- Please **ENTER** through the west doors (off the alley) only.
- Masks are required and to maintain social distancing, we will have spaces taped off on the floor 6' apart (*as we have become accustomed to seeing in grocery stores, etc.*). Distanced line spacing will start in the Heritage room and continue all the way into the Sanctuary. Please follow these best practices to ensure each other's safety while waiting for your time of receiving ashes.
- To further keep each other safe, the Pastors will use long-handled Q-tips (*one per person that will be discarded after use*) to apply the ashes to our foreheads.
- After receiving the ashes, please **EXIT** the church through the door in the Sanctuary on the left side of the pulpet that leads directly to the west parking lot.

NOTE: Pre-packaged Communion cups will be available to pick up and take home on Ash Wednesday. There will be a time of Holy Communion lifted up as part of the Ash Wednesday virtual worship service that will be posted online—please use the pre-packaged Communion cups when you experience that worship service in your home.

PRAYER MATTERS

Trinity has an active Email Prayer Chain—it is a quiet, but important ministry in our congregation that serves and reaches far beyond our doors. It is not a committee or social group, there are no meetings to attend. The Prayer Chain is simply a group of people who believe in the power of prayer and who wish to minister to other's needs, concerns, and joys by lifting them to God in prayer.

PRAY *on it*
PRAY *over it*
PRAY *through it*

Some prayer requests are general and okay to be shared, others are personal and confidential and need to be respected as such by prayer chain members.

Once a prayer request is received, members are asked to pray as soon as possible, and in the manner and as often as the Holy Spirit leads them.

Anyone who believes in the power of prayer is welcome to join Trinity's Prayer Chain.

If you are interested in joining us in prayer, contact Sandy Poenitsch sandy@strokesofgrace.com

When two teams compete to become champion of the National Football League on Super Bowl Sunday, February 7, thousands of Lutherans will engage in a challenge of a different kind, a national effort to fight hunger, called **SOUPER BOWL OF CARING**.

During the weeks preceding and following the 2021 Super Bowl Game—FEBRUARY 1ST - FEBRUARY 14TH—Trinity's youth invite you to take part in the annual **SOUPER BOWL OF CARING**. This year the proceeds will be divided between OUR LOCAL FOOD PANTRY and the ELCA Outreach for Hope World Hunger Appeal.

During these 2 weeks THREE soup kettles will be placed on a display in the Heritage room where donations can be dropped off during Trinity's office hours, WEEKDAYS | 8 AM-3 PM. Two of the soup pots will represent this year's Super Bowl teams - the Kansas City Chiefs and the Tampa Bay Buccaneers. And, one more soup pot will be placed in honor of our own Green Bay Packers! You can vote for your favorite team with your donation —or— you can work the odds and give according to past "prognostication" - the team who wins the **SOUPER BOWL** predictably loses the "Super Bowl".

However you vote, by taking part in this year's **SOUPER BOWL OF CARING** you'll be assuring a winning experience for the hungry. During this time, when some people spend time and money on game snacks and parties, this is a good way to keep focused on what's really important.

Let's all get in the GAME and help move the BALL down the FIELD to help alleviate hunger today, tomorrow, and everyday, so that all of God's children may have enough!

In conjunction with the theme and focus of the online worship services planned for the Lenten season, **Trinity invites families to pick up the seven last words coloring page packet to share with your children.** The kit includes more intricate as well as simplified versions of the coloring pages to accommodate varying interests and ages. *Packets with the coloring pages will be available to pick up at Trinity beginning on Ash Wednesday.*

“This is my commandment, that you love one another as I have loved you.

—JOHN 15:12

Dear Trinity Family,
During these months of social distancing almost all of us have tasted, in one form or another, what it may feel like to be a shut-in. This feeling can be even more magnified by the folks who are not connected electronically and have not even been able to experience the online daily devotionals and worship connections that many of us take comfort in.

One way to reach out to those folks is through snail mail with handwritten notes, cards, letters, drawings from our kids and the like. Getting mail that is sent specifically to make a connection and lift spirits goes a long way to do just that – making someone’s day (or week!) a lot more special! #mailministry #physicallyseparatedspirituallytogether #churchwithoutwalls

If you (and your family) are interested in taking part in this new community-building mail ministry, please contact Sue Beekman in the church office: sbeekman@trinitywestbend.com, 262-334-2125.

Thank you, Trinity! #trinitytogether

But if anyone has the world’s goods and sees his brother in need, yet closes his heart against him, how does God’s love abide in him?

—JOHN 3:17

COVID-19: Vaccine Phases and Eligibility | When can I get the COVID-19 vaccine?

COVID-19 vaccine is being distributed to Wisconsin residents in a phased approach. It is important to remember that vaccine supply is limited and vaccinations are targeted to specific groups of people with a higher risk for COVID-19 infection. It will take time to reach all people within each priority population and phase. There is not a hard start or stop for each phase. As vaccine supply and the number of vaccinators increase, phases for distribution may overlap.

The State of Wisconsin is committed to the equitable and fair distribution of the vaccine, and is following prioritization guidelines from the federal Advisory Committee on Immunization Practices (ACIP)(link is external) and the State Disaster Medical Advisory Committee (SDMAC). Many of the priority populations included in each phase are still pending ACIP and SDMAC recommendations.

Who is eligible for the COVID-19 vaccine and where do people get vaccinated?

Wisconsin has over 1,200 COVID-19 eligible vaccinators across the state. Much like your flu vaccine, there will be options for where you get your COVID-19 vaccine. People will be vaccinated at many places including: health care providers, pharmacies, local health departments, places of employment, and mass vaccination clinics. Local health departments are coordinating many of the local options. Remember, Wisconsin does not have enough COVID-19 vaccine to vaccinate all eligible populations at this time.

CURRENTLY ELIGIBLE POPULATIONS

- Frontline health care personnel
- Residents in skilled nursing and long-term care facilities
- Police and fire personnel, correctional staff
- Adults ages 65 and over

NEXT ELIGIBLE GROUPS | BEGINNING MARCH 1

- Education and child care
- Individuals enrolled in Medicaid long-term care programs
- Some public-facing essential workers
- Non-frontline health care essential personnel
- Facility staff and residents in congregate living settings
