

HEART WREATH

FEBRUARY FAMILY CRAFT

This simple heart wreath is a way to let your kids know how special they are and/or for them to do the same for others —as they would hope to have done for them!

MATERIALS NEEDED:

- Paper plate, Scissors
- Red and pink construction paper
- Craft glue, glue stick or double-stick tape
- Ribbon or string for hanging

DIRECTIONS:

- Cut out center of paper plate to create wreath form
- Cut out heart shapes in varying sizes.
- Write a message that you want to share with your child on each heart, such as:
 - You are just right, just the way you are!
 - You are smart!
 - You are special!
 - You are funny!
 - You are capable and strong!
 - You are beautiful inside and out!
 - You are kind!
 - You are loved!
 - I love your smile!
 - You are hard working!
 - You rock at reading/sports/drawing ... etc.
- Glue or tape hearts on the paper plate ring to create a heart wreath. Attach ribbon or string to the back in a loop for hanging.
