NEWSLETTER

VOLUME 18, ISSUE 12

DECEMBER 2022

Children of God,

We approach the celebration of the birth of Jesus, once more hearing the good news that God chooses to enter our world as a baby. A baby who is vulnerable and needs the love of those around to survive. A baby who embodies the love of God. **God comes in this way so that we might all be reborn in this love.**

The Christmas miracle calls us all to remember what it means to be truly human, born with a need for God. Maybe our humanity is tied up in our vulnerability, tied up in our need for one another. **Christmas is our chance to be born anew into love and family and connection.** Even secular Christmas seems to bear these markings. *But we are also reborn into God's family.*

God comes to remind us that we do not need to bear the weight of the world on our own. God is willing to come and walk with us and care for us so that we can embrace the miracle of love that was ours from the beginning.

Dare we embrace this gift? Can we afford not to embrace it?

This poem encapsulates God's wish for us to embrace and receive the miracle of Christmas—just like a child.

*How I wish to trust
In life, no questions asked,
Hanging on God's words,
Confident and relaxed,
Just like a child.*

*How I wish to take
Life's journey with ease,
Jolly through thick and thin,
As cool as you please,
Just like a child.*

*How I long for conscience
As mild as the breeze,
Having goodwill with others
And always at peace,
Just like a child.*

*How I need this grace,
So dear Lord, to you I come.
Help me to believe
And receive your kingdom,
Just like a child.*

*How I long for courage
That laughs at fear,
Knowing I'd surely be caught
When tossed in the air
Just like a child.*

Just like a child.

BY ABIMBOLA T. ALABI

When God calls us to be *like* children it is not to regress, not to abandon maturity or rationality or discernment. Instead, **God is calling us to rediscover our core—being humble, vulnerable, trusting, following, believing—just like a child.**

May Christmas be a time in which we are all reborn. Christmas truly is for children.

BEHIND THE SCENES

There are many things that happen behind-the-scenes at Trinity each and every week of the year. From making prayer shawls to doing the dishes and washing table cloths, pulling weeds and taking care of Trinity's gardens, counting the weekly offerings, changing the altar paraments, filling the oil in the altar candles, making sure there are sharpened pencils and welcome cards in every pew, setting up communion, and a multitude of other tasks, *large and small*, that make a difference. To everyone (*and you know who you are!*) who work behind-the-scenes, *Thank You!*

Trinity's already beautiful sanctuary has been dressed up for the Christmas season thanks to a small crew pitching in—behind the scenes.

Thank you Dee Washa, Ruthann Dorn, Ruth Ruh, Wendy and Bryan Johnson, Sandy Poenitsch and Phil Wagner

Thank you, Sue!

Nothing can stop the power of God's love.

Trinity's mission to Share God's love and promise is often demonstrated through the generosity of our members. Time after time, the people of Trinity come through to make a difference in countless and impactful ways—like, for instance

THE KINGS MAKE A COMEBACK!

Thanks to a very challenging labor of love by Sue Gilbertson!

Last year, **Sue Gilbertson** tackled a restoration of Trinity's large nativity figures of Joseph and Mary. Displayed on Trinity's front lawn for many, many years—they were in very sad condition. Sue worked her magic, however, and brought new life to the Joseph and Mary figures.

The three Kings were a different story as they were even more deteriorated than Joseph and Mary. They did not join the outdoor display last year and, *to be honest*, whether or not they could even be restored was debatable.

This year, Sue took on the challenge of restoring the Kings! Thanks to Sue's talent, perseverance and painstaking labor of love, Gaspar, Melchior, and Balthasar are not only back, **they are absolutely beautiful!**

ABOVE: Joseph and Mary, before Sue Gilbertson's restoration work and after. BELOW: The before picture hardly captures the sorry state of deterioration of one of the Kings before Sue painstakingly brought each of them new life!

THANK YOU

for sharing the gift of your time and talents and perseverance

SUE GILBERTSON

You are a gift to the Trinity family!

God's Work. Our Hands.

We asked and you gave—God's Work. Our Hands. Volunteering your time to help with fall clean up at the **Blue Lotus Farm & Retreat Center** and in tying fleece blankets for the **Holiday HOPE** program that reaches out to at risk students in our community schools.

We asked and you gave—the **Thanksgiving Basket FOOD COLLECTION** resulted in a generous amount of food and grocery store gift cards that were distributed to some very thankful local families.

We asked and you gave—all of the **Giving Tree** gift suggestions for **Samaritan Health Center** residents were spoken for very soon. As of this printing, there are still opportunities to provide gifts to families in need from our community through the **Gingerbread House** and through *Trinity*. **ALL DONATIONS NEEDED BY DECEMBER 6th**

We asked and you gave—the **Holiday HOPE Tree** benefiting local high school students in financial or emotional need has been another example of Trinity giving from the heart. **ALL DONATIONS NEEDED BY DECEMBER 4th**

We ask **ALL YEAR** and you give—your continued support for the Trinity congregation's **Compassion International** sponsored child—9 year old **Kaori Rosalina Ramos Benito** is a much needed, ongoing gift with an impact that few of us could even begin to imagine. You can donate to this ministry by texting 1-844-385-9887 and specifying Kaori. Enter the amount you want to give, followed by a space and the name Kaori. **SAMPLE:** if you want to donate \$10, enter 10 Kaori in the text. It's that simple! You can also mail or drop off a donation at Trinity.

We ask **ALL YEAR** and you give—the boxes set out to collect items to support the **ProjectRETURN** ministry for the ex-incarcerated are rarely empty! **SEE PAGE 8 IN THIS NEWSLETTER FOR A LIST OF ITEMS ESPECIALLY NEEDED NOW THAT WINTER IS HERE.**

We ask **ALL YEAR** and you give—thank you for saving and bringing in your aluminum can pop tabs to benefit **The Ronald McDonald House** | **Keep them coming!** House-shaped boxes are in the Heritage room to collect aluminum pop tabs on an ongoing basis. The Wilson family will deliver all the pop tabs each year on 'Tab Toss Day' in mid-May.

New Year's Gathering

WHY WOULD I VOLUNTEER?

It's not for money, it's not for fame. It's not for any personal gain.

It's just for love of fellowman. It's just to send a helping hand.

It's just to give a tithe of self. That's something you can't buy with wealth.

It's not for medals won with pride. It's for that feeling deep inside.

It's that reward down in your heart. It's that feeling that you've been a part.

Of helping others far and near, that makes you be a Volunteer!

In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. (This was the first census that took place while Quirinius was governor of Syria.) And everyone went to their own town to register.

LUKE 2:1-3

So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. He went there to register with Mary, who was pledged to be married to him and was expecting a child. While they were there, the time came for the baby to be born, and she gave birth to her firstborn, a Son. She wrapped Him in cloths and placed Him in a manger, because there was no guest room available for them.

LUKE 2:4-7

CHILDREN'S MINISTRY

SEEit MAKEit TELLit MOVEit TASTEit

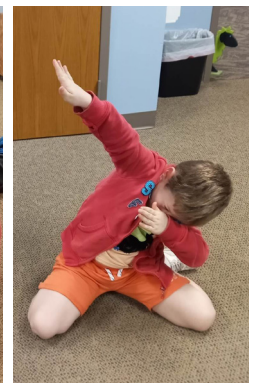

During the last rotation, Trinity's Little Lambs (pre-school - kindergarden students) learned about Noah's Arc, while our 1st - 6th graders learned about Moses.

In **TASTEit**, they made baby Moses cookies, wrapped them in a fruit roll up blanket and placed them in a Haystack basket.

In **MOVEit**, kiddos played a buzzer game to answer questions about the story about Moses.

The photos are of the teams with their "winning" poses! They also wrote down their gifts (things they are good at) and what they can do to be a messenger of God.

Trinity's 4th - 6th Grade F.I.S.H. Youth Group enjoyed a **HALLOWEEN PARTY** on October 30th and then **Family BOWLING** on November 13th!
Thank you to our parent leaders, Cheryl Scaffidi and Nancy Harvey.

Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, "Glory to God in the highest heaven, and on earth peace to those on whom his favor rests" When the angels had left them and gone into heaven, the shepherds said to one another, "Let's go to Bethlehem and see this thing that has happened, which the Lord has told us about."

LUKE 2:13-15

So they hurried off and found Mary and Joseph, and the baby, who was lying in the manger. When they had seen him, they spread the word concerning what had been told them about this child, and all who heard it were amazed at what the shepherds said to them. But Mary treasured up all these things and pondered them in her heart. The shepherds returned, glorifying and praising God for all the things they had heard and seen, which were just as they had been told.

LUKE 2:16-20

DECEMBER BOOK STUDY

6:30 PM | THURSDAY, DECEMBER 8

This month, in preparation for Christmas, we invite you to read the book: **The 13th Gift** by Joanne Huist Smith

This true story about the power of random acts of kindness will warm your heart. It is a beautiful reminder of the miracles of Christmas and the gift of family during the holiday season. After the unexpected death of her husband, Joanne Huist Smith had no idea how she would keep herself together and be strong for her three children--especially with the holiday season approaching. But 12 days before Christmas, presents begin appearing on her doorstep with notes from their "True Friends." As the Smiths came together to solve the mystery of who the gifts were from, they began to thaw out from their grief and come together again as a family.

As a holiday treat those attending are asked to bring a holiday treat to share. We will get together on December 8th at 6:30 PM. Come and join us for a holiday treat—on a number of levels. Ho Ho Ho!

CARPETING

The flooring that needed to be replaced in the lower level was completed by Taylor Made Floors. If you haven't ventured downstairs, please go down and take a look! It has been a great improvement that was paid for from the Capital Fund.

The flooring upstairs in the Heritage room is on hold until the beginning of next year. The cost of the whole project will be approximately \$50,000 and, *at the time of this printing*, the appeal asking for contributions toward the flooring replacement has resulted in gifts of just over \$13,000.

We hope that our maintaining our building's integrity and not depleting our Capital Fund is important to many of you. If you are able and willing to help defray the cost for this improvement, any gift toward that effort is greatly accepted and appreciated. Please place your gift in an envelope marked "CARPETING."

Thank You, Trinity!

It just cannot be said enough, *Thank You* to everyone for your continued support. It is good to see more and more faces attending worship services! Your faithfulness financially allows the ministries of the church to continue, to grow and to look forward to a new year with a renewed spirit. *Thank you to all for your thoughts, prayers, cards and food during Pastor Cristy's recovery.* And, to all the people who work tirelessly, behind the scenes to keep Trinity humming.

Thanks be to God.

Pastor Dave and Pastor Cristy

SHARING YOUR PASSIONS

There are a number of areas in which we could grow through gifts and passions shared from those who are a part of the Trinity family.

- We need more people to **help with the technology we use on Sunday morning**. We need people willing to run the sound board and the video system. We have people willing to help you learn. *If you are interested please let us know in the office.*
- We also need people who are **willing to count the offering** on Sunday after worship. It takes an hour and helps us care for the offerings that people faithfully give. Again there are those who will help you learn the process. *If you're interested call the office.*
- Our Welcome statement is central to our identity as a congregation. We would like to form a team that will constantly call us into living out this welcome. How can we create a space and a community that is open and welcoming to all? *If you would be interested in this important part of our life together—call the office and let us know.*
