NEWSLETTER

VOLUME 19, ISSUE 6

JUNE 2023

God  
makes  
everything

beautiful

in its time.

ECCLESIASTES 3:11

**It's June already. Time seems to move so fast.**

We are acutely aware of the movement of time. We are constantly trying to make deadlines. Seconds tick by and we feel like we can never regain them. Time is a constant stream that runs on with or without us. ***This view of time can be exhausting, agonizing, and overwhelming.***

**But the Bible offers us a different view of time.** The Greek word for this different understanding of time is **Kairos**: *every moment is the right time for something.* One of the most beautiful images of this is Ecclesiastes 3, It begins, ***"For everything there is a season. A right time for everything under the sun."*** Read the first 17 verses of chapter 3 and take some time to think about it.

**Every moment is an opportunity to seize.** In this moment you have time to love and care. In this moment you have time to feel and experience the wonder all around. In this moment you have time to walk with and experience the presence of God. In this moment you have time to grow and learn. Every moment is full of potential. Every moment is different and calls us to be in that moment. ***Every moment is a gift.***

In the summer many of us have time to step back from the normal flow of things and see things in new ways. We have an opportunity to experience the movement of time in a different way. Notice the moments and practice making the most of each moment, cherishing it rather than trying to cling to it. ***Look for God in the moments you are given and breathe a prayer of thanks.***

It can be a challenge to see time this way in a world that is constantly calling us to do more and be more all the time. Our tendency is to try to squeeze more into each moment. ***Instead, God invites us to ask what is most important in this moment and then embrace that reality.*** We can do this if we truly trust that God holds all time and will give us the gift of each moment in the future as well.

Henry Drummond reflects the biblical truth of **Kairos** in the following words:

***"I shall pass through this world but once.***

***Any good therefore that I can do...or ANY kindness that I can show...  
to ANY human being, let me do it NOW.***

***Let me not defer or neglect it, for I shall not pass this way again."***

***May each moment be a blessing to embrace. This is a gift of God.***

## Stewards of His Example

and managers of everything God has given us

**STEWARDSHIP** isn't a subcategory of the Christian life. Stewardship *is* the Christian life. After all, what is stewardship except how we regard and follow Jesus' example of inclusive love and service to one another. What is stewardship except what God has entrusted to each of us and what we do with it.

**STEWARDSHIP** is often misunderstood, partially grasped, or not on anyone's radar at all. Sometimes it's even confused with tithing in the bible. But, stewardship isn't a *season*—it's not all about financial aspects, appeals or an annual campaign. As disciples of Christ we are called, equipped and entrusted to be stewards of His example. We are called to live life for the glory of God—*every day and every season*.

**STEWARDSHIP**—yes, even in summer! Church attendance often decreases over the summer months—but *our ministries never take a vacation*. This summer, as we enjoy the beauty of God's creation through the flowers in bloom, birds singing, warm days filled with light, Monarch butterflies journeying back to Wisconsin, and special days shared with our families and friends—recognize, *too*, that your prayers, love and support are still needed and vital to the ministries of your church.

Stop, look, listen, take time to appreciate the season we are in and the gifts that come with it. Live, love and lead like Jesus—or *at least as stewards of His example*.

## GOD MOMENTS!

### Look Around This Month

Summer is a wonderful time to enjoy the wonder of God's creation. You are encouraged to take some time to stop and smell the flowers, to watch clouds float by, examine the stars, watch a butterfly be born and see all that God is doing all around you. **As you walk around also pay attention to where God is at work in the community.**

- *Where is God drawing people together in life giving ways?*
- *Where is the love of God present among us?*
- *How is God speaking to us all right here in West Bend or maybe wherever you go on vacation or where you work?*

Send your observations, your "God moments," as many are calling them to me, Pastor Dave at

[dschoob@trinitywestbend.com](mailto:dschoob@trinitywestbend.com)

or drop off a written copy in the office. I will work on compiling your observations to share with the congregation in the fall. We can help each other be more aware of the love of God all around. This is a gift we can give each other. *Have fun.*

*Pastor Dave*

## A HUGE AND HEARTFELT THANK YOU

to Children's Ministry Coordinator,  
**Alyssa Brockman**  
for a terrific and blessed year!

*Not only has she been integral in helping Trinity's Children's Ministry grow, her own family grew by ONE on April 27th when Ambrose Jade Brockman was born! Ambrose is pictured above with his mom and big brother and sister in the Butterfly habitat at the Milwaukee Public Museum.*

Every time we do a baptism at Trinity, all of us promise to be sure that we  
- as a congregation -  
will provide the best resources, experiences and opportunities that we can to help our children develop strong roots of faith. As Children's Ministry Coordinator, Alyssa is instrumental in helping us keep that promise.

This year Alyssa and a wonderful group of assistants, teachers, workshop leaders, shepherds and parents have enabled Trinity to provide our children with nine months of discovery, learning and growing. Moreover, because of their experiences in Children's Ministry, our children know that deepening their faith can be fun.

*Thank You Alyssa!*

**ABOVE |** In May the Pentecost rotation was underway and we are learning about the symbols of the dove, cross, and flame. In **MAKEIT**, kiddos made banners. In **MOVEit**, they made fans decorated with flames and used them to keep balloons up in the air. In **TELLit**, kiddos learned that God speaks all languages and that we might have different names for God. They got to draw pictures of their name for God. **Trinity's Little Lambs** learn about David and Goliath! They made lions to show their strength though God.

## CHILDREN'S MINISTRY END OF YEAR CELEBRATION

The 2022-2023 Children's Ministry year ended on May 21st with tie-dyed T-shirts sporting this year's theme to LET YOUR LIGHT SHINE! and a whole lot of fun playing MINUTE-TO-WIN-IT games ... all followed by an ice cream social with all the toppings and a cherry on top!

# SUMMER BOOK STUDY

For summer we are going to slow things down and give people some extra time to read this book—in part because it is summer, but also because the book is an important one in our synod.

Rev. Kenneth Wheeler

The author of our summer read is Rev. Kenneth Wheeler. He is former assistant to the bishop in our Greater Milwaukee synod. The title of his book is **US: The Resurrection of American Terror**.

The terror he talks about is the terror of racism and the white supremacy that controls American life. Rev. Wheeler shares candidly his experiences of racism that span his entire life and offers a powerful call for the church and nation to seek healing for the sin of racism that infects all of us. Rev. Wheeler's honesty and wisdom pervade the book and throughout the synod is quickly becoming a must read.

I invite you to spend some time with this powerful and insightful book and join us for a discussion of the book in July.

## SUMMER BOOK DISCUSSION JULY 18 | 6 PM

Also anyone who wishes to talk about issues of inclusion and diversity please let Pastor Dave know and we will plan some events for the fall.

## Bible Study

# JUNE 27 6 PM

YES, IN THE EVENING!

Again in the spirit of slowing things down and trying something new we will hold ONE Bible study in the month of June.

This one session will be a study of the book of ESTHER and will include a melodramatic reading of the book by all those present. This type of study is somewhat patterned after the reading of the book during Purim in the Jewish community.

*The hope is to help us incorporate the message of Esther into our modern day lives. We also hope this will be as much fun as it is informative. Plan to join us and experience a different kind of Bible Study!*

Trinity  
Comforters

THE TRINITY COMFORTERS gather on Thursday afternoons to create blankets of comfort that are distributed in and outside our community. Each blanket is made by layering three sheets.

DONATIONS of Flat cotton sheets -any size- are appreciated! ALSO, accepting donations of JEWELRY for our OCTOBER Jewelry, Book & Puzzle fundraiser.

You do not need to sew in order to help make the blankets! We are a fun group, sharing stories, prayers, and humor all while creating a blanket that will make a difference in someone's life.

Thank You

CHECK US OUT AT 1 PM ON THURSDAYS!

## Remember Kaori

**Kaori Rosalina Ramos Benito** is the Trinity congregation's Compassion International sponsored child. Kaori was born on February 10, 2013, she is now TEN years old and lives in a very poor coastal community of Pueblo Joven Huascar-B (PERU) with her parents and 3 brothers.

Your faithful support and encouragement help make a difference for Kaori and her family— physically, spiritually and with cognitive and emotional development too.

We invite you to take a moment to write Kaori a quick note letting her know that you received her photo, share photos of your own, and share some encouragement with her. Please email notes to Kaori to the church office: [swalker@trinitywestbend.com](mailto:swalker@trinitywestbend.com). They will be forwarded (electronically) to Kaori. *Your words matter, and we know Kaori would love to hear from you. Thank you for your prayers, encouragement and continued support!*

You can drop a donation specified for Kaori at Trinity or scan this QR code and look for the Kaori box to give electronically.

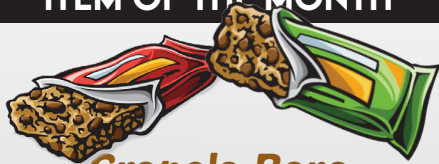

Thank You

## TRINITY FIRST QUARTER FINANCIAL UPDATE

Core INOCOME through March 31, 2023..... \$ 98,715.71  
Core EXPENSES through March 31, 2023..... \$130,324.61

Two big expenses that were above budget in the first quarter were:

- Snow Plowing a snowy March added to our budget for the year being spent in the first quarter.
- An insurance bill that should have been received and paid in December of last year was paid in January of this year.

So far for the first quarter expenses are on budget. On the contribution side we are currently running about \$15,000 below the amount needed to finish the year with a balanced budget.

## FAITHFUL GIVING KEEPS US STRONG
