VOLUME 19, ISSUE 8

AUGUST 2023

Dear Family in Christ,

August is here and summer is winding down. Soon the seasons and the world will change again as we move from the sunny days of summer and vacations, to fall and Labor Day and the flow of work and school—and life!

The seasons of 'our' lives have changed as well. Nick is now established in their call in Alaska. Their life is focused on new realities and new possibilities, and it is exciting. Curt and Emily are married. It was an incredible wedding. They are now building their life with their daughter Sydney, and they have such wonders ahead.

We are now fully 'empty nesters.' Our lives are changing too. Additionally, age brings new challenges and perspective and yes, *opportunity!* We are feeling new aches and pains and having to do more around self-care. We get tired faster and go to bed earlier. But there is a new intensity to life as well. *Experience has taught us that each moment is an opportunity—a gift from God!* We are more dedicated to trying to make a difference in the world around us. There is a new appreciation of wonder all around and a new joy in the diversity of the people and the world we encounter.

We are often afraid of change, but we do not need to be. Psalm 104:19 reads:

**You have made the moon to mark the seasons;
the sun knows its time for setting.**

God is at the heart of all change. God may act in new and diverse ways, but one thing does not change, the love God has for us. Again, we find in Psalm 89:2

**I declare that your steadfast love is established for ever;
your faithfulness is as firm as the heavens.**

Change is coming—we cannot stop it. And why would we want to, because at the heart of all change is God's love. **Bring on the change!**

Your Loving Pastors,

Pastor Dave Pastor Cristy

Trinity Welcomes PASTOR DAVID REBEY

Pastors Dave and Cristy will take a week this month just to breathe and to be with family out of state. While they are away, Trinity will be graced by guest preacher, Pastor David Rebey from Breaking the Chains Church (ELCA Prison Ministry) and Project Return.

Please join us on the weekend of August 19/20 to welcome and hear the the word from Pastor Rebey.

Please join us in giving THANKS to those who give of their time and labor (*behind the scenes*) to tend Trinity's gardens. This year these folks have worked hard to clear out overgrowth and continue to divide, weed, replace and water plants—all with the goal to maintain the integrity and beauty of our gardens.

Thank You

Suzanne & Jim Barker, Mike Kappler, Denise Kenworthy, Ruth MacDonald, Tammy Nelson, Chris Pamperin, Karen Sparks, Cindy & Mike Tikusis, and Dee Washa

This team shares a rotating schedule of garden care and would LOVE to have YOU join them! *Watch for a FALL CLEAN UP DAY INVITATION coming your way soon!!!*

Special Moments of Trinity Garden History

FACING 7th AVENUE | Trinity is blessed to have special gardens that hold many great memories.

Longtime member, Bonnie Oppermann tells the story of how her sons, Greg and Brad, earned service hours by planting a flowering cherry tree on the southeast corner of Trinity's "front lawn." Planted over forty years ago, this tree now provides welcome shade to the playground area utilized by the YMCA children.

It is hard to believe that just over twenty years has passed since the 7th Avenue garden was renovated with a courtyard and fountain. The millstone fountain serves as a focal point of the courtyard garden. Back in 2002/2003 Bob Poenitsch worked on the installation of the fountain that was donated to the church as part of Trinity's renovation project. The original garden beds and plantings were professionally designed. A pink Magnolia tree was planted on the hill above the fountain in 2014 in memory of Sue Mildbrandt's husband, Dennis. Trinity's beautiful gardens have been recognized with the Silver Spade Award, and in 2017 as a finalist for the West Bend Mutual Insurance Company "Business Beautification Award."

For the last several years, Dee Washa has lead a team of volunteer gardeners to manage the gardens, along with planning spring and fall work days. This year the garden team is focusing on the courtyard area. In fall we will again dig, divide, and make Iris plants available to the congregation.

Visit the courtyard garden, a special place to soak up sunshine, pray, watch birds visit the fountain, or remember special memories of loved ones.

Have you noticed that even with all the tools we have at our disposal, including electronic devices with options to notify us of schedules and changes coming—we still rely on visual symbolism! We use colors and decorations to both mark and celebrate the beginning and the end of each season.

As scripture tells us, the Alpha and the Omega are a sign that the beginning and end of everything is God.

SEASONS OF THE CHURCH | In the same way, liturgical colors are a symbolic representation of the seasons of the church year. We are currently in the 'season after Pentecost', also referred to as 'Ordinary Time.' This season is represented by the color **GREEN**—*symbolizing hope, life and our growth in faith.* It is during this time our faith is challenged to grow through the preaching and teaching of Jesus Christ during his adult ministry on earth.

SERVICE AND WORSHIP GO TOGETHER | St. Paul echoes this in Romans 12. *Humble service is worship of God and love in action.* God created us for this purpose! As stewards and disciples of Christ, we were made for this!

GO GREEN! | During the month of August we are inviting everyone to **LOVE, GROW and SERVE** by reflecting on their role, **specifically in service to the Worship Ministry here at Trinity.**

You will find **SEASONS OF STEWARDSHIP** cards in the pews that are directly related to ways you can get involved in supporting Trinity's Worship Ministry. We hope you will take time to consider this step forward in love, growth and service by completing the card with your interest.

Visit the Connection Corner in the Heritage Room and help yourself to the brightly colored papers hanging on the wall for descriptions of some of these Ministry Tasks. No prior experience needed, just a heart to serve! We are happy to answer questions and provide additional information about teams. and tasks

Make it.

A new **CHILDREN'S MINISTRY** year is upon us at Trinity—we have so many exciting things planned for it and we would love for you to join us! Our theme this year is **Jesus is our Rock!** We are looking forward to *rolling* through this year with you.

SAVE THE DATE | Our 2023/2024 Children's Ministry Program will **KICK OFF** at 9:30 AM on **RALLY DAY—SUNDAY, SEPTEMBER 10th!** Join us for fun and games!

Our faith-filled children's ministry program requires many hands to do both small and large jobs. A total of 35 ADULT VOLUNTEERS are needed to complete the rotations and ensure our program runs smoothly this year. I am asking families to please volunteer to lead at least 1 rotation this school year — this is a commitment of only 3 Sundays!

SHEPHERDS for PreK through 6th grade | Volunteers to work with the children on a weekly basis. *This is a school year long commitment.*

TAG TEAM LEADERS for Pre-K | Volunteers to team teach our 3 and 4 year old students *throughout the year.* ALL LESSONS, MATERIALS PROVIDED. *4-5 weeks at a time with 4-5 weeks break between*

ROTATION LEADERS | Volunteers to lead a rotation *for three weeks* ALL LESSONS, MATERIALS PROVIDED.
Make it. See it. Move it. Tell it. Taste it.

Anyone can volunteer, whether you have a child enrolled in the program or not —all you need is a passion and concern for our children. Leading a rotation is not only beneficial to our children and our church, you may find your own faith growing in the process of rediscovering the Bible's stories in a new light—through the eyes and the hearts of Trinity's kids!

ROTATION SIGN UP SHEETS ARE OUT AT CHURCH NOW!

2023-2024 REGISTRATION FORMS for 3 yr old through 6th Graders will be mailed out to Trinity families this month and will also be available on Trinity's website. FAMILY COLORS

A *Trinity* OUTREACH PROJECT FOR OUR COMMUNITY SCHOOLS

Let's help our local school kids create pictures that truly reflect themselves and families with crayons sets of the multicultural skin tones. We will be collecting Colors of the World Crayons through the month of August and will distribute them to local schools as the school year starts.

As Fair Park kindergarten teacher, Renee Wilberg, stated, "Having crayon colors that reflect various skin colors, gives a child an opportunity to create and illustrate more accurate portraits of themselves and their friends. We want all children to be able to welcome and accepting to the diversity of our world; and although a box of crayons may not change our world, it just may help some students in our community begin to recognize and learn about others in a more authentic and meaningful way."

FAMILY COLORS

YOU CAN HELP THIS *Trinity* OUTREACH EFFORT MAKE A DIFFERENCE IN OUR COMMUNITY SCHOOLS

Your donation of Multicultural Crayons or funds to purchase to them will help us with this community outreach effort. Crayola Colors of the World Crayons are available at WalMart, Meijer, Target – and of course, Amazon

Drop off donations of crayons or specified funds to purchase them in the Heritage Room at Trinity.

Remember Kaori

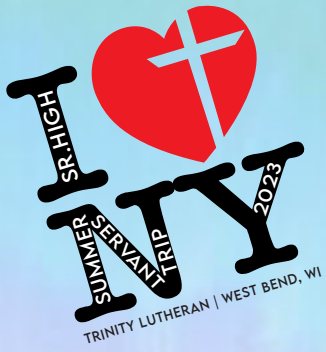

Kaori Rosalina Ramos Benito is the Trinity congregation's Compassion International sponsored child. Kaori was born on February 10, 2013, she is now TEN years old and lives in a very poor coastal community of Pueblo Joven Huascar-B (PERU) with her parents and 3 brothers.

Take a moment to write Kaori a quick note letting her know that you are thinking of her and her family, share photos, and share some encouragement with her. Please email notes to Kaori to Sue in the church office. They will be forwarded (electronically) to Kaori. Your words matter, and we know Kaori would love to hear from her Trinity family.

Thank you for your prayers, encouragement and continued support!

You can drop a donation specified for Kaori at Trinity or scan this QR code (look for the Kaori box) to give right now!

**SENIOR HIGH 2023
SUMMER SERVANT TRIP**
NEW YORK CITY | JULY 21-29

As this newsletter was being pulled together, Trinity's travelers had just spent their first weekend and first service day in New York City! After a long train ride that began on Friday, July 21st, they safely reached their destination on the following evening. On Sunday the group had time to explore which included visiting the Statue of Liberty and partaking in a Broadway show. When Monday came the service party of their journey officially began ... *and they worked hard!* We are thankful for the prayers that go with them and will be excited to share more about their full experiences after their return on Saturday, July 29th!

Trinity's Travelers include:

- Alex Bergerud, Garrett Clark,
- Deacon Falconer, Lexi George,
- Audrey Keinhofner, Victoria Kenworthy,
- Emerson Ketter, Landon Ketter,
- Matthew Krawzik, Aidan Marlett,
- Drake Omernick, Ava Schiller,
- CJ Schiller, Bethani Schweiger,
- Kaitlin Sparks

Thank you Trinity Chaperones:

Goodbye Chicago!
NEXT STOP
NEW YORK!

LOVE IN A DAIRY CUP!

Trinity's mission to **Share the love and promise of God** can often be demonstrated in ways that you might never expect. **Monarch Ministry is one of those ways!** Through one member's passion and dedication to making a difference for a species with declining numbers this ministry has grown and continues to touch many lives—for the third consecutive year!

Singles, families, and children **OF ALL AGES** are caring for and witnessing the miracle of metamorphosis in real time!

Thank You
for sharing your passion, Suzanne!

Monarch
MINISTRY

We are on track to have distributed **OVER 100 Raise-A-Monarch Caterpillar kits by the time you receive your August newsletter!**

This year Trinity Caterpillars have traveled! Butterflies successfully raised from our kits have been released in Illinois, Minnesota, Arizona, and California ... oh, and right here in Wisconsin too, of course!!!

MONARCH MINISTRY FALL FUN FACTS

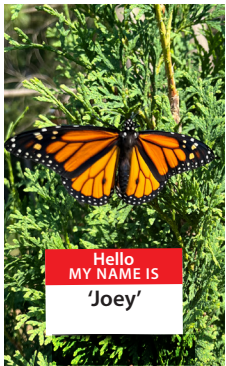

The Monarchs released in late July and August will be laying the eggs for the 4th generation Monarchs. These special 4th generation butterflies will fuel up on nectar to support their migration to Mexico. As the milkweed blossoms drop and seed pods form, this is a signal to the Monarch to head South. Cooler temperatures at night is another signal.

Thank You

A special thank you to **Cyndee Bruder** who has been my partner this year in finding eggs and raising baby caterpillars. We are also grateful to **Dairy Queen** in West Bend for generously donating containers for this project.

Visit the Monarch habitat in the **Heritage Room** for updates and more information.

Seeking Volunteers for Trinity's Ministry Support Team

Do people describe you as a compassionate listener? Do you enjoy conversations with a purpose? Are you interested in assuring the work place culture for Trinity employees and volunteers stays positive and focused on the vision, mission, and values of Trinity Lutheran West Bend? Would you like to have an impact to shape the future of Trinity as an even better place to serve and work? The Ministry Support team may be the place to bring your gifts to share!

The Ministry Support team is seeking several volunteers to join the team. We meet once per month on the third Tuesday to review the tasks on our master calendar. Team members spend only a few hours per month supporting the work of the team. This team focuses its efforts on administrative tasks that (1) make sure employees have the support they need to succeed in their roles, and (2) to help assure the policies and procedures of the Trinity Employee Handbook are met by Trinity employees and volunteers.

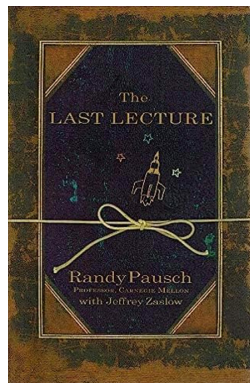

It's meaningful work and we invite you to join us. The next meeting is August 22, 2023 at 6 PM.

Please let the church office know of your interest. Thanks much for considering!

BIBLE STUDY Images in Revelation THURSDAY | AUG 10 | 7 PM

We continue experimenting with different types of Bible Study this summer—trying different formats and times to get a feel of whether this is helpful for people.

That continues on Thursday, August 10 at 7 PM with “Images in Revelation.” The book of Revelation is a series of word pictures meant to bring hope to struggling people. We will not analyze the book word for word—but instead step back and look at these pictures and ask what they mean for us. We welcome you to this unique look at an often-confusing book.

BOOK STUDY | The LAST LECTURE THURSDAY | AUGUST 31 | 7 PM

What would you say if you knew these would be the last words you could offer to those who would follow? **The LAST LECTURE** is an expanded version of the lecture given by Randy Pausch, a professor at Carnegie Mellon after his diagnosis of terminal pancreatic cancer. The last lecture series at Carnegie Mellon was a tradition in which professors presented their philosophy of life as if it were their last chance to share what was important for them. This truly was the last chance for Pausch.

The book is both an invitation for us to live our dreams and a call to ask what is central to our lives. **You are invited to join in a discussion of this powerful book on Thursday, August 31 at 7 PM.**

When he had washed their feet and put on his outer garments and resumed his place, he said to them, "Do you understand what I have done to you? You call me Teacher and Lord, and you are right, for so I am. If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet. For I have given you an example, that you also should do just as I have done to you."
