TRINITY ELCA LUTHERAN CHURCH

NEWSLETTER

VOLUME 21, ISSUE 3

FEBRUARY 2025

Dear, Dear, Family of God:

We found this letter written during the midst of the pandemic, and yet the words seem as relevant today as they did then.

As I write this letter we have once again celebrated the birthday of Dr. Martin Luther King Jr. Every year I love re-hearing his eloquent, faith grounded and driven vision of a possible future. But it saddens me to realize how little progress we have made.

We are living in difficult times. Between all the divisions in our world, the personal pain, struggle and loss many of face, and the actual normal February cold and darkness, it is easy to feel exhausted and disheartened.

However, in such times I have found Dr. King's observations on darkness particularly helpful.

Midnight is a confusing hour, and one in which it is difficult to be faithful; but the relevancy and power of the church will be measured by its capacity to meet the needs of those who come at midnight. The most inspiring word that the church can say to people at midnight is that no midnight is here to stay. Midnight is only a temporary development in the cycle of life's day.

Yes, the dawn will come. Disappointment, sorrow and despair are all born in midnight, but we may be consoled by the fact that morning will come. "Weeping may stay for a night," says the Psalmist, "but joy comes in the morning." This is the faith that will adjourn the assemblies of hopelessness, and bring new light into the dark chambers of pessimism.

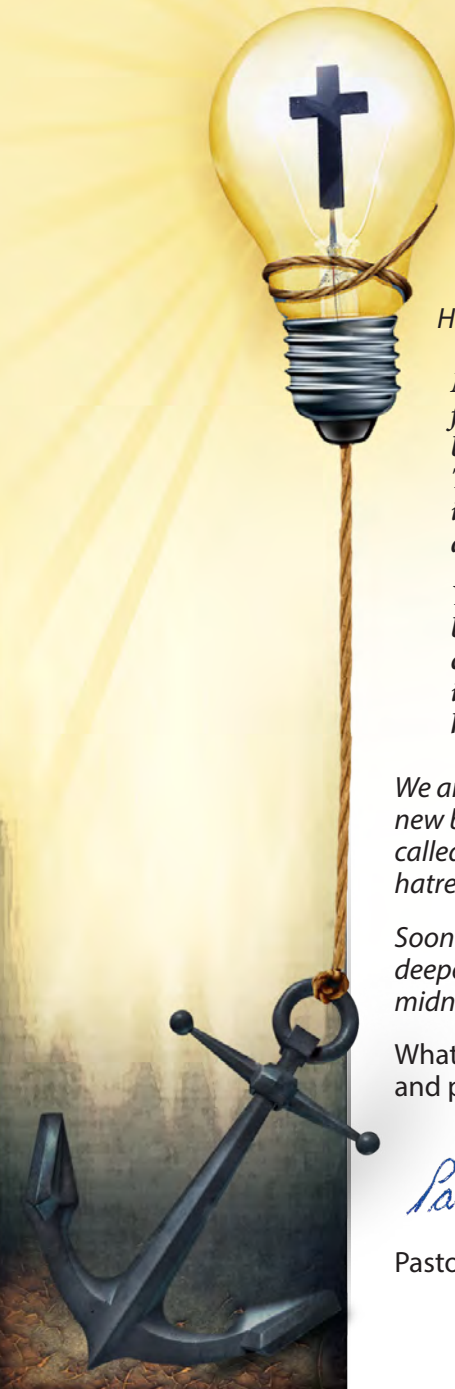

We are uncertain what the future holds. But we can be positive that God's message of hope, new beginnings and new life has never been more needed or relevant. We –the church– are called to carry the light of God's love into the darkness and let it shatter old patterns of hatred, fear, and despair.

Soon we will start seeing Valentines' Day decorations. Let them remind us to celebrate God's deepest love which shatters every darkness. In the words of Dr. King: "We stand in life at midnight; we are always at the threshold of a new dawn."

Whatever dark and difficult time you may experience, may God's light, love, hope and peace be with you all, until you enter in the dawn of a bright new day.

TRINITY SENIOR HIGH YOUTH SUMMER TRIP

JULY 20 - 30, 2025 | Pine Ridge Reconciliation Center, South Dakota

Plans for the 2025 Senior High Youth Trip are falling into place!

This summer we are going on an immersion trip. We will be traveling to Pine Ridge, South Dakota where we will spend a week at the Pine Ridge Reconciliation Center, learning about the lives of our Indigenous brothers and sisters on the Pine Ridge Reservation.

pineridgereconciliationcenter.org

The trip will take place July 20th – 30th

We'll travel by charter bus, spending one night each way at a hotel and will likely make a few interesting stops along the way.

We'll spend 5 days living and learning at the reconciliation center.

Spaces are limited. We are limited to a maximum of 20 people, including adults.

Costs are still being determined. However, money should never be a reason for someone who wants to participate to be left out. If you want to go and the cost may be an issue, talk to us, and we'll see what we can work out.

If you are interested in going you need to let Pastor Cristy or Nate Shubat know, no later than Sunday February 16th.

While specifics will vary, a general flow for our time there will include presenters sharing their experiences, hopes, and views of life on the reservation. We will explore how history impacts contemporary life. There will be opportunities to discuss the Wounded Knee Massacre of 1890, generational trauma, and how these historical events are part of daily life here on Pine Ridge Reservation.

Some of the sites that may be visited include Red Cloud Indian School, Wounded Knee, Wind Cave National Park, Crazy Horse monument, Red Cloud Renewable, The IHS hospital, and Thunder Valley. In addition, there may be additional sites and experiences as well.

WHY AN IMMERSION TRIP? | from pineridgereconciliationcenter.org

Let's start with what it is not. It is not a mission trip—it is so much more. You are coming to meet the people of the reservation. You are not bringing Jesus; He is already here. You are not coming to fix anything. *We want you to come and listen, learn, and grow. See the work we are doing.*

We also want you to know that we are an active ministry. In addition to the immersions, we have other people in the building 7 days a week. *We feed more than 1500 meals a month. We work with the homeless community and members of the Lutheran Lakota Job Corp are living in the building. This is a busy place!*

Join us for an immersion that includes presentations that provide space for conversations and understanding of each other. The focus is on creating healthy, respectful relationships. You will hear of the history of the reservation and the historical trauma that affects the people even today.

We aim to help you break down negative stereotypes and develop a deeper appreciation for the people you meet.

Ready for an Adventure?

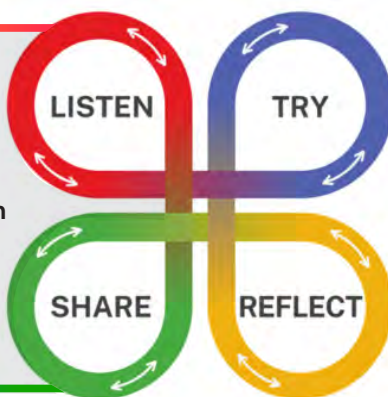

Mission Renewal is Beginning

Greetings from the Trinity Lutheran West Bend Adventures in Renewal Team!

Unless you are on this team, your immediate response may be, "Say what?." No worries, keep reading to learn more.

Mission Renewal is a process used by any church and/or congregation to review its approach to the world around it. The process teaches how to listen to God a little more closely, to consider what has changed in the community, and how the culture of the time may impact the faith work that's done. As the world's societal norms change, every church and/or congregation should consider how to react and respond to changes in societal norms. It needs to renew or revitalize its world mission on a regular basis. It's easy to get comfortable with the status quo, to sit back in the pew and let the world keep passing by, and to keep insulated and focus on things within the church's walls.

QUICK SUMMARY We are embarking on a Mission Renewal process. The Greater Milwaukee Synod has been supporting this process for churches/congregations since 2018. Previously called 'Faithful Innovation,' it has been expanded in the last year and is now called **Adventures in Renewal**. With the help and support of the synod, we started Trinity's renewal adventure in late September 2024.

As stated on the synod's website for **Adventures in Renewal: Learning our way into this new social landscape is nothing short of an adventure!** We believe the Spirit is leading and empowering churches to be renewed through listening, ministry experimentation, and deep connection with our neighbors.

Trinity's guiding team is supported by a coach (Jodi McMahon) and a pastor (Dave Schoob). The team members are: Katie Martin, Patrick Budoff, Rick Gilbertson, Loretta Lloyd, Hayley Kordosky, and Tom Bergerud. The guiding team has met a few times for training and expects to complete the training in April 2025.

One thing we have been learning in the training is how the early church had less focus on doing things inside a building and more focus on understanding the spiritual needs of the wider community. It was more focused on nurturing relationships in small groups and on sharing stories to explain what God wanted individuals and groups know about the Kingdom. It was more learning focused, and less "doing" focused.

Please keep this guiding team in your prayers as they consider how to share what they are learning with all of you, **such that we all benefit from the adventure of mission renewal and ... stay tuned!**

ELCA TOGETHER IN MISSION EVENT

The Greater Milwaukee Synod will hold its **Together in Mission** event on **Saturday, February 15th** from **8 AM to 3 PM** at St. Matthew's Lutheran Church in Wauwatosa. It is a time to worship, celebrate our partnership in the Gospel and attend workshops on a variety of topics. The cost is \$25.00 which includes lunch. Register at milwaukesynod.org/event/together-in-mission-2025/

You are invited to participate in Trinity's annual

SOUPER BOWL of CARING WEEKEND

FEBRUARY 8th & 9th

During "**SOUPER BOWL**" weekend, miniature grocery bags will be placed on a display in the Heritage room.

Each bag will represent this year's Super Bowl teams. You can vote for your favorite team with your donation—the **grocery bag gathering the most donations WINS!**

On a day when people spend so much time and money on game snacks and parties, this is a good way to keep focused on what's really important—helping those experiencing food insecurity.

This year the proceeds will again be divided between our local food pantry and the ELCA World Hunger Appeal.

Keeping the Promise Rotation BEGINS!

SIXTH GRADE BRIDGE
Confirmation

KEEPING THE PROMISE is a special rotation presented within Trinity's Children's Ministry program every year. It is made up of six workshops designed to help each grade level develop a deeper understanding of one aspect of the promise their parents made for them at their baptisms.

This rotation is designed directly from the baptismal vows:

In Christian love you have presented this child for Holy Baptism. You should, therefore, faithfully bring him/her to the services of God's house, and teach him/her the Lord's Prayer, the Creed, and the Ten Commandments. As he/she grows in years, you should place in his/her hands the Holy Scriptures and provide for his/her instruction in the Christian faith, that, living in the covenant of their Baptism and in communion with the Church, he/she may lead a godly life until the day of Jesus Christ.

For four weeks each 3 year old– 5th Grader will be exposed to different presentations of the baptismal focus for their grade level.

Please make every attempt to have your children attend!

CHILDREN'S MINISTRY

CHILDREN'S MINISTRY PARABLES ROTATION: The story of the Prodigal Son was acted out in **TELLit**: The youngest son asks his father for his inheritance and leaves for a distant country. He lives it up and wasted all of his money. A famine came and he was forced take a job feeding pigs—the lowest job a man could have. The son was miserable and realized that he had been foolish. He decides to go home and ask his father for forgiveness. His father welcomes him with open arms, forgiveness and a great big hug!

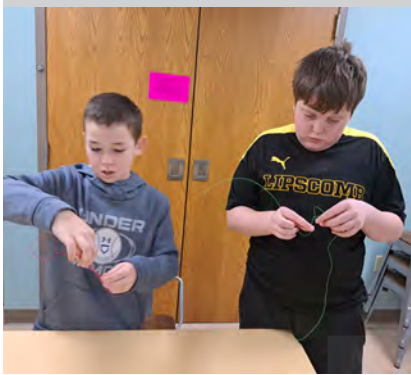

LITTLE LAMBS learned that Jesus healed the crippled, blind, and sick. **JESUS CARES FOR OUR FAMILIES.**

TASTEit: we make fruit salad and saved the scraps for the prodigal son to feed the pigs.

MAKEit: we made wire sculptures that represented the son coming home and being welcomed by his father

MOVEit: we played a Bible bowling trivia game with questions relating to the prodigal son

HAPPY BIRTHDAY TO KAORI

Kaori Rosalina Ramos Benito is the Trinity congregation's Compassion International sponsored child. Kaori was born on February 10, 2013, she is about to turn 12 years old! She lives in a very poor coastal community of Pueblo Joven Huascar-B (PERU) with her parents and 3 brothers.

Our **CHILDREN'S MINISTRY** offerings go toward Kaori's sponsorship, but your donations help us keep things on track. An extra monetary gift was sent for Kaori's birthday, which she gratefully used to buy a pair of jeans, a pair of sneakers and underwear.

Thank you for your prayers, encouragement and continued support to help sponsor Kaori!

You can drop a donation specified for Kaori at Trinity or scan this QR code (look for the Kaori box) to give directly to support Kaori's sponsorship right now!

And now these three remain, faith, hope and love. But the greatest of these is love.

ANTI-RACISM BOOK STUDY MONDAY | FEBRUARY 10 | 7 PM

In February I invite you all to read Antiracism as Daily Practice by Jennifer Harvey. *Here is a description of the book from Amazon:*

Antiracism as Daily Practice illustrates the many ways white Americans—those newly waking to the crisis of racism in 2020 and those already aware—can choose behaviors in our everyday lives to grow racial justice. Full of real life stories, this book shows how vital it is for white people to engage in and with our families,

through our social networks, in our neighborhoods, and at our jobs to make antiracism a daily living commitment. We have real power in our relationships with other white people—and not enough of us have used it. Dr. Harvey explains why we white people struggle with knowing what to do about racism, and explores the significance of emotions like grief and anger (as well as the harmful role of shame) in really reckoning with the transformation and change needed in our communities to become the partners in justice that Black communities and other communities of color need and deserve. Not only is such transformation vital to the well-being of U.S. democracy. It's vital to the freedom and wholeness of white people too.

Everyone is welcome to come discuss this book on Monday February 10th at 7pm.

SOULFiX COMMUNITY BUILDING

Community Building is the ministry of bringing the inter-generational Trinity family of God together—to laugh, cry, work, grow, play and pray together.

A SAFE PLACE
to share

We are offering an opportunity for people to come and share their hopes and dreams, their fears and struggles with the divided views in the world around us—even in our own families. This will be a safe place for honest and non-judgmental sharing. Also, it can be a place where we can invite each other to act in ways with which we feel comfortable.

If you are looking for A **SAFE PLACE** *to share*, look for the next date and time posted in the Heritage Room and join us for this opportunity to gather together and freely share our thoughts and feelings.
