JUNE 2025

AND SO, SUMMER COMES!

The pace of life changes in summer. Children have more time to play, or at least the activities they are a part of present new opportunities.

People vacation. We may have a chance to travel and experience the world in new ways. There are festivals, fairs, outdoor concerts and farmers markets to experience. We might meet new people.

We also may spend special time with the ones we love. We may go with our family to somewhere special or do some new and special things right at home.

All these are gifts from God and we invite you to cherish each one. Make the most of these summer days and welcome God into the activities. Thank God for all the moments and look for God's presence in each person that you meet.

God has promised to meet us in all these places and in everyplace. In Psalm 139 the writer reflects on the truth that wherever we go—**God is there.**

*If I ascend to heaven, you are there;
if I make my bed in Sheol, you are there.
If I take the wings of the morning
and settle at the farthest limits of the sea,
even there your hand shall lead me,
and your right hand shall hold me fast.*

God is always with us. Find new life in these summer months—welcome and enjoy the time with God.

To the left I share a story that illustrates the joy we can find when we trust God through all our days.

Blessings on your summer days,

Pastor Dave Pastor Cristy

A BIKE RIDE WITH GOD

AUTHOR UNKNOWN

I used to think of God as my observer, my judge, keeping track of the things I did wrong, so as to know whether I merited heaven or hell when I die. He was out there, sort of like a president. I recognized His picture when I saw it, but I didn't really know Him.

But later on, when I met Jesus, it seemed as though life was rather like a bike, but it was a tandem bike, and I noticed that Jesus was in the back helping me pedal. I didn't know just when it was He suggested we change, but life has not been the same since I took the back-seat to Jesus, my Lord. He makes life exciting. When I had control, I thought I knew the way. It was rather boring, but predictable. It was the shortest distance between two points.

But when He took the lead, He knew delightful long cuts, up mountains, and through rocky places and at break-through speeds; it was all I could do to hang on! Even though it often looked like madness, He said, **"Pedal!"** I was worried and anxious and asked, **"Where are you taking me?"** He laughed and didn't answer—and I started to learn to trust. I forgot my boring life and entered into adventure. And when I'd say, **"I'm scared,"** He'd lean back and touch my hand.

He took me to people with gifts that I needed, gifts of healing, acceptance and joy. They gave me their gifts to take on my journey, *our journey*, my Lord's and mine. And we were off again. He said, **"Give the gifts away; they're extra baggage, too much weight."** So I did, to the people we met, and I found in giving I received, and still our burden was light.

I did not trust Him, at first, in control of my life. I thought He'd wreck it, but He knows bike secrets, knows how to make it bend to take sharp corners, jump to clear high rocks, fly to shorten scary passages. And I am learning to shut up and pedal in the strangest places, and I'm beginning to enjoy the view and the cool breeze on my face with my delightful constant companion, Jesus.

And when I'm sure I just can't do any more, He just smiles and says... **"Pedal!"**

7TH AND 8TH GRADE CONFIRMATION RETREAT

MAY 2-4 | Trinity's 7th and 8th graders enjoyed a beautiful weekend retreat at Crossways Pine Lake Camp in Waupaca.

HERE ARE SOME HIGHLIGHTS:

- Everyone got to know each other much better.
- We were able to explore and discuss the 10 Commandments—*especially the seventh and eighth commandments*—much more deeply than we can cover on two Wednesday nights.
- The weather was beautiful, we had lots of fun **and we had a visit from an Eagle!**

It has been our tradition to have two Confirmation Retreats per year—one in fall and one in spring. Beyond covering confirmation material, these have been amazing opportunities for group building, relationship deepening, and an increased sense of comfort with the group, as well as an increased willingness to be involved in future learning and discussion.

Thank you all for supporting this opportunity that our youth have held up as one of their favorite parts of our Confirmation ministry.

And—thank you to Pastor Cristy and Nate Shubat for their dedication and personal investment in our youth ministry.

Thank you
to our music coordinator,
Heather Peters and Trinity PopUP
Choir members: Steven Caves,
Paul Bauman, Phil Pierce,
Howard Vrankin, Cyndee Bruder,
Pat Thacker and Marcia Vrankin
for their beautiful performance of
"How Great Thou Art" during the
offertory on Sunday, May 18th

EQUIPPING SAINTS FOR MISSION

Our Trinity member gifts are a significant part of mission being accomplished in our Greater Milwaukee Synod (GMS) and around the world. The informative Trust Board report in April's Trinity Spirit noted the challenge award that increased our member ETS gifts by fifty (50) percent. All told, the just over \$18,000 of member gifts with the challenge award means over \$28,000 is our gift equipping saints for mission.

The just completed GMS Assembly noted ETS is bearing mission fruit nearby and around the world. *HERE'S JUST A FEW SAMPLES:*

- Hepatha and Cross Lutheran congregations in inner-city Milwaukee are strengthened in their mission;
- Innovation and Collaboration grants in other congregations for stronger mission;
- Pastor and Evangelist leadership development grants in the Tanzania, Meru Diocese;
- A needed boost in salaries for pastors in our companion church in El Salvador;
- Much needed space for furniture storage for Breaking the Chains Ministry;
- And grants for continuing education, seminary debt relief and more.

A few members just fulfilled their three-year promise to ETS. A couple members gave additional gifts beyond their initial commitment. And gifts are still being received. Check milwaukee.synod.org/equipping-the-saints for more news and adding a gift as possible.

Thank you Trinity members—together we're doing God's Work!

TRANSITION IS A PROCESS

AND, WE WILL WALK THROUGH IT TOGETHER

Our Pastors have announced their well-deserved retirement . . . SO, WHAT'S NEXT?

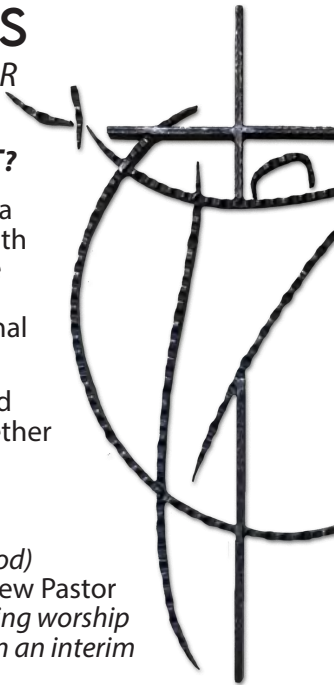

Right now, and for the next few months we are in a period of reflection and thanksgiving as we walk with Pastors Dave and Cristy toward their retirement. We will have a Sending Celebration in honor of their ministry and service to our congregation on their final day at Trinity—*Sunday, August 31*.

After their retirement begins, the congregation and the synod will begin the first steps in our work together through a structured process.

Here is a synopsis of what the process involves:

- completing administrative tasks
- an interim pastor is appointed (*through the Synod*) who will, *potentially*, be with us until we call a new Pastor—we may have a guest Pastor or Pastors conducting worship for a few weeks between retirement day and when an interim Pastor is assigned.
- a Trinity (MET) Ministry Evaluation Team is formed. The entire congregation will be surveyed as the team works to complete a thorough report that will help us assess our congregation/ministry profile and needs
- synod works with congregation council to begin search for a new pastor
- a Trinity Call Team is formed
- potential candidates are considered and interviews may be conducted

It is a process and there are no short cuts or specific time lines—but every step has a purpose and we will walk through each step together.

PENTECOST will be celebrated on the weekend of June 7th and 8th

Pentecost has been called the birthday of the Church, but it is so much more. It is not only the celebration of the Holy Spirit's creation of the Church, but the **POWER** of the Holy Spirit at work in the Church today—*within, among, and through each of us.*

We are the body of Christ and individually members of it.

This Pentecost and throughout the coming year may this body of Christ find new life *as we live together in the promise of a God that turns dead ends into new beginnings.*

All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.

**JULY 18-25 | SR HIGH SUMMER
IMMERSION TRIP**

Some of Trinity's High School Youth will be traveling to Pine Ridge, SD where they'll spend the week at the Pine Ridge Reconciliation Center on the Pine Ridge Reservation. There we will be with our indigenous brothers and sisters. This cultural immersion will allow our youth to learn about Lakota history and culture from the Lakota people themselves. The goal is to foster mutual conversations and a greater understanding of each other.

Why a Cultural Immersion experience?
It is so much more than a mission trip. The Youth are not going to fix anything. They are not bringing Jesus to Pine Ridge; Jesus is already there. The Youth are going to listen, learn, grow, and to see the work being done there.

The focus is on creating healthy, respectful relationships. Trinity youth will hear of the history of the reservation and the historical trauma that affects the people even today.

The aim is to help break down negative stereotypes and develop a deeper appreciation for the people we meet and see how history impacts contemporary life.

Joy!

It is truly such a joy walking with these kiddos on their faith journeys and watching them grow up!

I am already looking forward to our summer events and next year!

We had a fantastic year end celebration for **CHILDREN'S MINISTRY** on May 18th! In our last rotation during the last month our children focused on **The Greatest Commandment—LOVE!** And, we shared some of that love with the congregation singing the camp song, **"Love Round."**

And the greatest of these is **LOVE!** Thomas had to SEE Jesus before he believed he was alive. Would you put your hand in a box without knowing what was inside? The Children's Ministry kids had to **TRUST** and **BELIEVE** that what was inside the box would not hurt them—then they had to describe what they were touching without looking at it.

Trinity's 4th-6th Grade F.I.S.H. youth group worked together through games, a hunt for hidden treasure (treats!) and a enjoyed a cookout/picnic.

A **SAFE** PLACE

to share

TUESDAY, JUNE 17 | 7:00 PM

We continue to offer an opportunity for people to come together to share their struggles with the world we live in. *It is not a place for answers, but a place to share and encourage one another as we try to live our Christian commitment in a world that often seems to be very unchristian.* We gather to listen with respect and share in vulnerability.

ALL ARE WELCOME IN THIS SAFE PLACE.
We will meet again on Tuesday, June 17th at 7 PM.

SUMMER SERMON SERIES

In the summer months we decided we wanted to take time to share with you some of our favorite scripture, our favorite centers of faith, our favorite sermons, *in some ways the best of our life with you.* So through the summer we will be sharing 'The Best of Pastors Cristy and Dave' and we invite you all to come and join us.

ANTI-RACISM BOOK STUDY

TUESDAY | JUNE 24 | 7 PM

Recently at an anti-racism meeting someone raised the question, "Will racism ever end?" It is not an easy question to contemplate. But the group embraced the idea that we cannot give up struggling against the racism that seems to imprison us all. And so we continue to struggle to understand and grow in our struggle against racism.

In June we will consider the graphic novel—*some might call it a comic book, but it is so much more*— **They Call Us Enemy by George Takei** (Mr. Sulu on the original Star Trek). **This is a very easy read, but a powerful statement. You are invited to the discussion on Tuesday June 24th at 7:00 pm.**

HERE IS A BRIEF DESCRIPTION FROM AMAZON: A stunning graphic memoir recounting actor/author/activist George Takei's childhood imprisoned within American concentration camps during World War II. Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love.

George Takei has captured hearts and minds worldwide with his captivating stage presence and outspoken commitment to equal rights. But long before he braved new frontiers in Star Trek, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future.

In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard.

They Called Us Enemy is Takei's firsthand account of those years behind barbed wire, the joys and terrors of growing up under legalized racism, his mother's hard choices, his father's faith in democracy, and the way those experiences planted the seeds for his astonishing future.

What does it mean to be American? Who gets to decide? When the world is against you, what can one person do? To answer these questions, George Takei joins co-writers Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.
